Fluorescent Lamp, Ballast and Computer Recycling

Contract #: ST7J211	OSD Update #: 99-3
Expiration Date:	5/27/2002
OSD Contacts:	Kristal Doherty (617) 720-3128 Marcia Deegler (617) 720-3356

Contract Summary

This Master Service Agreement provides for the collection and recycling of fluorescent lamps and hazardous materials such as PCB/DEHP ballasts, HID lamps, computer equipment and batteries. Mercury is a highly toxic material which, if released, can damage the human nervous system and can lead to toxic build up in fish and other wildlife. The proper management of fluorescent lamps, which contain mercury, is an integral part of the Commonwealth's efforts to continue improving the condition of our environment.

All materials, including mercury from lamps are processed and recycled for re-use, except for certain hazardous materials which are incinerated at a licensed facility. The contractor will provide instructions on how to store and manage these materials, as well as provide a certificate of recycling or destruction, whichever is appropriate. All pricing below includes the cost of packaging and transportation .

Scrap Tire Disposal Services

Contract #: ST0J39S OSD Update #00-41
Expiration Date: 2/28/02 (with 3 optional one year extensions)
OSD State Surplus Property Coordinator: Paul Guerino (617) 720-3146

Contract Summary: This contract was established to provide Commonwealth agencies and political subdivisions with a means to recycle / remove scrap tires and tire shreds in an environmentally sound manner. Under the terms of this contract, such removal may be conducted in one of two ways:

- 1) The contractor may be requested to pick-up the tires or shreds from a Commonwealth location. In this situation, the contractor will remove, pack, make ready for shipment, and incur all freight costs with the transport of all tires (with or without rims) and tire shreds from each holding location. (A minimum of 1 ton of material is preferred in order to request this service).
- 2) A state agency or municipality may deliver the material to the contractor's facility. Here the agency or municipality will be responsible for the preparation of the weight slip and bill of lading so that the tires can be accepted by the contractor. It is also advised that a department contact the contractor prior to delivering scrap tires to the contractor's recycling facility.

For complete details on either the process, including a description of the contractor's responsibilities and the terms and conditions of the contract, please consult the OSD Update noted above.

Solid Waste and Recycling Services

Contract #: ST1J391	OSD Update # 01-28
Expiration Date:	2/13/04
Deputy Procurement Team Leader:	Michelle Bessler (617) 720-3139
OSD Environmental Contact:	Marcia Deegler (617) 720-3356

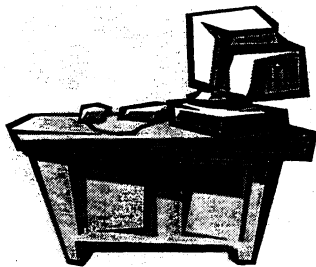

Contract Summary: The Operational Services Division (OSD) and Department of Environmental Protection (DEP) are pleased to announce that a Statewide Contract for the collection and disposal and recycling of solid waste has been awarded. Contracts have been awarded to 26 contractors (as of February 14, 2001) in a variety of solid waste and recycling service categories. Please note that this contract does not cover hazardous materials or universal wastes such as Fluorescent lamps. Please see the end of this Update for information on these contracts.

This contract consists of a pre-approved list of contractors, each of whom offers waste collection and/or recycling services, ranging from the handling of a single material, to providing a broad array of waste management services. This contract does not include pricing as the PMT has determined that specific pricing for solid waste/recycling services across the state would have been impossible to determine. Departments are responsible for soliciting waste and recycling proposals from the approved list of contractors and negotiating pricing based on the type and scope of services being requested.

See the contract on Comm-PASS for a list of vendors and their contact information.

Surplus Office Disposal Services

Contract #: SSP02	OSD Update # 02-03
Expiration Date:	July, 2002
OSD State Surplus Property Coordinator:	Paul Guerino (617) 720-3146

Contract Summary: The purpose of establishing this contract is to assist agencies in the proper removal and disposal of office furniture and equipment that has been determined to be scrap and has already gone through the process of the State Surplus Property Office. In addition, the vendors awarded on this contract have agreed to research and utilize all means of recycling the various furniture items and/or parts prior to rendering it for disposal.

See the contract on Comm-PASS for the details of the contract and a list of vendors and their contact information.
